Metcor offers the largest collection of catalogued and A.D.A. compliant checkstands which arrive pre-assembled and ready for instant use. Our ADA compliant checkstands service disabled clients without segregation from able-bodied clients. Metcors checkstands can be modified or completely custom designed to fit your special requirements. Designers can specify his or her choice of accessories, along with a vast array of surface treatments. By utilizing any metal, laminate, wood, marble or granite, our designs provide a variety of choices to suit any budget. Metcor began its "design your own" concept in 1962 and has continued our tradition of helping you to bring your concepts to reality by offering custom manufacturing.
